Spiral 2 Presentations

3 slides with content:

1. A quick reminder of the goal
2. A clear statement of the progress you've made, followed by a demo, showing app in current state
3. What will be done next, by the Spiral 4 milestone in 2 weeks.

    –   Remember that there is a final presentation 2 weeks **after** that (which would be the 6th week of development).

Technology for Projection

- Can project iOS devices directly
- Can project newer Androids directly
- Can project older Androids through laptop

Expectations on Quality of Presentations

- That you will become good at explaining what you're doing and why, quickly!
- You'll become good at presenting your App

- Make it accessible (understandable) to everyone

- Goal: making the final presentation as good as possible

- Alongside course goal: make an worthwhile contribution
