)

Assignments

- P4 & S4 Being Graded
- Several P3 assignments need to be demo'd in person; please connect with Daniel Di Matteo if he asked you to.
- Only projects left to do!

Spiral 2 Presentations

Four 'slides' total

Slide 1&2: Quick reminder of overall goal and function

- Being sure to provide enough context

Demo: of what works at Spiral 2 point

Slide 4: What you plan to have working for Spiral 4

- Time Limit again 6 minutes
- The demo should take up most of the time

Technology for Projection

- Using Android Chromecast from Nexus 6P devices
- Using Apple TV for iOS.
 - Connect to special Wifi just before your presentation
 - Please disconnect afterwards.

Peer Review Questions

1. State the Goal of the Project in your own words (the what & why).
 2. Comment on What You Liked in the Demo.
 3. **Provide a constructive suggestion for any aspect of the project so far.**
 4. Give feedback on the Spiral 4 goal(s) presented.
-
- Peer Reviews for Spiral 2 will Be Due on the Monday **November 14** at 6pm.
 - Please submit PDF, and **do not** identify yourself on the same page that your peer review sits, so I can easily send it anonymously to the group.
